

ALFA

LIGHTWEIGHT WELDING MASK WITH PERFECT BALANCE

ALFA

LIGHTWEIGHT WELDING MASK WITH PERFECT BALANCE

If weight, comfort and protection are your focus parameters, then look no further. Alfa models start at just 467g. They represent the most compact and lightweight welding masks in the Kempfi welder's protection range. A durable, low-cost solution for light to medium duty welding tasks, Alfa e series offers easy-to-wear eye and face protection for all general welding applications and grinding.

The shell design features generous dimensions, providing facial areas excellent protection from arc radiation, whilst allowing good access to tight work-spaces. The flip-up welding lens cassette is perfectly positioned for pre and post-weld inspection.

KEY BENEFITS

LIGHTWEIGHT AND COMFORTABLE

ALFA welding shield weighs only 467g making it very comfortable to wear, allowing good access for tight work-spaces.

SUITABLE FOR MULTIPLE USE

Premium protection for welding, cutting, grinding and inspection processes

BENEFITS

- For MMA – TIG – MIG/MAG welding processes, tacking, cutting, grinding and inspection
- Lightweight – weighs only 467 g
- Compact design – easy access to tight work-spaces
- Flip-up welding lens cassette for pre and post-weld inspection with GapView setting
- Large impact-rated inspection lens
- Passive and auto-darkening welding lens (optional SA 35 ADF lens shade range 9 to 13)
- Strong, adjustable ComFlex headband allows the perfect fit and makes the mask easy to wear
- Optional integrated black leather neck protectors

PRODUCT OPTIONS

Alfa e60A

Alfa e60A welding mask with an auto-darkening welding filter SA 35 offers the most compact and lightweight face shield for light to medium duty welding tasks. The model also features generous shell dimensions, flip-up welding lens with GapView setting and ComFlex headband.

Alfa e60P

Alfa e60P welding mask with a passive welding filter offers the most compact and lightweight face shield for light to medium duty welding tasks. The model also features generous shell dimensions, flip-up welding lens with GapView setting and ComFlex headband.

ACCESSORIES

Leather welding bib

Optional integrated neck protection for Alfa and Beta e-series models. Snap buttons allow easy removal and attachment.

Universal leather neck protector

Protecting the neck and shoulders from welding spatter and grinding, the universal leather neck protector can be used with all Kempki personal protection equipment and the wider welding market.

SA 35

Auto-darkening welding filter featuring shade adjustment 9-13, plus grinding mode.

TECHNICAL SPECIFICATIONS

Alfa e60A

Product code	9873021
Weight	490 g
Operating temperature	- 5 ... + 55 °C <80% Rh
EN 175	B
Welding filter	SA 35
View size	96 x 35 mm
Filter dimension	110 x 61 mm
Shade range	9-13
ADF light state	4
ADF CE Classification	1/1/1/2
ADF switching time	0.1 ms
LiFE+ Color (yes/no)	No
Grinding function (yes/no)	No

Alfa e60P

Product code	9873020
Weight	470 g
Operating temperature	- 5 ... + 55 °C <80% Rh
