

Pro MIG welding glove Model 2

BENEFITS

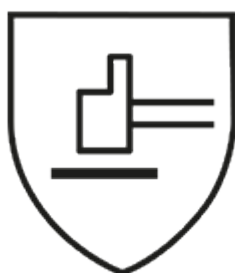

Special features

1. Para-aramid thread
2. Elasticized BOH wrist
3. Silicon-printed BOH and pull tab
4. 4mm foam padded palm
5. Heavy fleece underneath BOH

OVERVIEW

Get a glove that can do both. Partially insulated for both high heat protection and dexterity. A perfect mix between heat protection and dexterity, with a snug fit for good control of the torch and equipment. The base of the hand is reinforced for an extended lifetime. For more details, please check the manual.
