

Welding gun necks for water-cooled systems

OVERVIEW

Welding gun necks for water-cooled systems

TECHNICAL SPECIFICATIONS

Welding gun necks for water-cooled systems

Product code	SP600550 - GUN NECK 500-W 0° SP600551 - GUN NECK 500-W 22° (Recommended as default) SP600552 - GUN NECK 500-W 35° SP600553 - GUN NECK 500-W 45°
Filler wires	0.8-1.6 mm
Weight	0.9 kg
Loadability	100%ED 500 A / CO ₂ , 100%ED 500 A / M ² 1
Consumables	SP600561 - Insulating ring 500-W SP600562 - Insulating ring, high temperature 500-W SP600563 - Gas diffuser 500-W
Gas flow	min. 25 l / min
Water flow	min 1.25 l / min
